EXPERTISE

- Management Skills
- Data Analysis
- Graphics Design
- Critical Thinking
- Communication Skills
- Social Media Management

LANGUAGE

- English
- Tagalog
- Bisaya

PROFILE

Proactive data analyst and graphics designer with strong commitment to continuous learning and knowledge development. I turn data into clear insight using tools like Sharepoint, Microsoft Excel, PowerBI, and SQL.

I also create engaging visuals and infographics with Adobe Creative Suite to make complex ideas easy to understand. I enjoy combining data and design to solve problems and tell meaningful stories.

WORK EXPERIENCE

Data Analyst / Reporting Analyst

2023 – 2025

Foundever

- Experienced in analyzing operational data to track key performance indicators (KPIs) such as AHT, FCR, CSAT, and SLA compliance using Sharepoint, Excel, and Power BI.
- Developed automated dashboards and performance reports to support team leads and management in monitoring agent productivity and optimizing process efficiency.

Technical Support representative

2022 - 2023

Foundever

- Diagnosed and troubleshoot hardware and software problems, providing step-by-step guidance through phone calls.
- Delivered efficient technical support via phone, email, and chat, resolving issues promptly.
